

Beginning July 1st 2026, the West River Valley will begin charging registered waste tire generators a fee for processing of waste tires at the following schedule:

Small Tires (passenger and light truck tires): \$2 per tire

Semi-Truck Tires: \$5 per tire

Semi-Truck "Super Single" tires: \$20 per tire

XL Tires (industrial tires) 500 pounds or less: \$35 per tire

XL Tires (industrial tires) 500 pounds or more: \$275 per ton

Must check in with County Road Shop attendant to complete required documentation including Name, Billing Address and Quantity.
